Council Shows \$894 Deficit On Year's Operations; Lycka Account Shown As \$1100 In Arrears

Elliott Shows Seek Permission To Visit Here In June; Second Street House May Be Condemned.

Regular meeting of the council was held on Tuesday evening. Present Mayor Aboussafy, Councillors Dutil, Lowe, Ramsay and Wilson.

A relief recipient, who has been hospitalized for a considerable time in a hospital elsewhere in the province, had to have his teeth removed in an effort to improve his health. Council paid the dentist's account and then received notice from the hospital that the patient required new dentures. Council determined the cost to be approximately \$60 and sent a letter to the Dept. of Public Welfare asking that the government assume part of the expense of the dentures. Secretary advised council that the Department had refused to contribute one cent towards the cost of the new teeth. The council failed to reach a decision on the subject.

A two storey frame structure on Second street was inspected by a provincial sanitary inspector at council's request. His report is expected at the next meeting.

Elliott Shows, in a letter postmarked Wellington, B.C., asked council's permission to appear in Coleman sometime in June. In addition to the usual side shows it possesses a menagerie of monkeys lions and bears. Council granted permission provided suitable references were produced and they agreed to pay the usual license fee.

Some weeks ago a coke car caught fire on the CPR track. Council submitted a statement for firefighting expense to the CPR. Tuesday evening letters were received from both the CPR and International Coal Co. regarding the mat-

ter. Council will gather further information as to who is responsible for payment before taking further steps to collect.

Finance chairman John Ramsay, in submitting his annual financial statement, revealed that the town had an \$894 deficit on its year's operations. He stated the amount was not large but it would have to be halted as it could not continue over a period of years without doing considerable harm to the town's present healthy financial position. He made a few suggestions to various committees which will probably be given consideration when the new council takes office in March.

In conjunction with the reading of the financial statement secretary revealed that the Lycka account which the town owes the provincial home is now \$1100. She stated Town Solicitor Bannan had seized Lycka's car and sold it and was now garnishing his wages. It was agreed to pay \$100 per month in order to clean up the debt.

Three tenders were received on the new three-ton truck which the town proposes to buy. The Works & Property committee were authorized to study the tenders and bring in a recommendation at the next meeting.

Since there will be many water and light consumers visiting the town office it was decided to have a display card revealing office hours placed in the window of the town office door. Council also decreed that there must be some office employee on the premises during office hours.

Motion Of Coal Operators Dismissed With Costs

OTTAWA—Mr. Justice Patrick Kerwin of the supreme court of Canada Tuesday dismissed with costs a motion by western coal-mine operators for a court ruling on the validity of a notice of contract termination given them by the United Mine Workers of America (C.C.L.).

The operators, whose mines are tied up by a strike of 10,000 men, had petitioned the court to hold a hearing and rule on the legality of a union notice to terminate their contracts as of last Dec. 3. Normally the 18-month contracts would expire March 31.

Mr. Justice Kerwin said that any judgment given in favor of the appellants in this particular case "would be of no avail unless given some appreciable time before March 31, and the orders sought would have to provide for the hearings of the appeals at an early date during the sittings of the court commencing February 3.

"The list for that term has been prepared and contains a number of important cases to be heard during the opening weeks and it is impossible that the orders should so provide and the motions are therefore dismissed with costs."

Thomas Duncan Passed Away At Bellevue

Death came Sunday morning; Had Owned Bellevue Inn; Interment Being Made In Vancouver.

Death came to Thomas Duncan, 74, of Bellevue on Sunday morning following a long illness. Funeral service was held on Tuesday afternoon at Bellevue United church with Rev. Dr. R. Magowan conducting. Many Pass businessmen, friends and acquaintances were in attendance. Following the church service the body was taken to Crow's Nest Pass Undertaking Parlours at Blairmore where it was held until Wednesday morning when it was placed aboard No. 11 train for Vancouver where interment will take place in a city cemetery.

Born at Dunfermline, Fife-shire, Scotland, he came to Canada when twenty eight years of age. He became a mine official at Coal Creek, B. C. and in 1906 was married. In 1909 he left Coal Creek for Passburg where he built a hotel which he operated until 1915 when he and his family went to Elko where he again entered the hotel business. He remained in the Elko and Fernie district until 1932 when he went to Blairmore and took over management of the Greenhill Hotel and Greenhill Grill as well as the Bellevue Inn.

Surviving are his widow, Catherine Duncan; a son William and two daughters, Isabel, Mrs. I. S. Richards and René, Mrs. N. Anderson, of Mission, B.C.; two grandchildren; one brother, Nin Duncan, of Drumheller and two sisters in Vancouver.

Mrs. Duncan, Mrs. Richards, William, Mr. N. Duncan and Miss Helen McMillan, R.N., accompanied the body to the west coast city where they would be joined by Mr. and Mrs. Norman Anderson. The funeral was scheduled to be held on Friday.

Mr. and Mrs. J. Lowe visited at Lethbridge at the weekend.

Trenton Cox, 6-year-old son of Mr. and Mrs. Wilmer Cox, was taken to hospital on Saturday in a serious condition, suffering from rheumatic fever and pneumonia. On Wednesday afternoon a hospital report revealed his condition much improved and that he is progressing quite favorably.

Fred Hirst New Canadian Legion President

New Slate Officers Elected for 1948; W. S. Purvis Remains as Secretary-Manager.

Approximately forty Legion members gathered in the club rooms on Monday evening for the purpose of electing officers for 1948.

Following is the new slate: Past president, Dan Daly; president, Fred Hirst, vice-president, James Drew; secretary-manager, W. S. Purvis. Executive T. Sudworth, J. Jones, S. Gillies, D. Daly, W. Martland, E. Clarke, H. Eysackers, S. C. Short, J. Lloyd, J. Kulig, A. McPherson and H. Parkinson.

In a statement the new president announced that efforts would be made to get the three bowling alleys into perfect condition this summer and that efforts were presently being made to secure several sets of regulation bowling balls. Once the sport is in progress teams and seasons will be a regular schedule drafted.

A start has been made at forming a library and the Legion is a member of three book-of-the-month clubs which provide a wide range of subjects for Legion members who may care to take advantage of the library's service.

New Officers Appointed To Light & Water Committee

Mayor Aboussafy New Chairman; Former Light & Water Committee New Directors

Several hours were spent on Tuesday evening by members of Coleman Light & Water Co. as they gave careful study to the many complex problems which have fallen on their shoulders since the first of the year.

During regular council business they reported their activities. It was revealed that Mayor Frank Aboussafy has been appointed chairman of the company, George Jenkins is vice-president; W. Dutil is secretary and John Ramsay treasurer.

Chairman Aboussafy stated that they had not quite completed the transfer of the company from International Coal & Coke Co. Ltd. into the custody of the town.

Considerable debate was given to the problem of financing and it would appear that this problem will require a few months to iron itself out.

Coleman School Teachers Seek Sharp Increase In Salaries; Met School Board On Friday

Teachers Seek Single Salary Schedule Or An Immediate \$300 Over-All Increase Pending Negotiation; Board Studying Schedule

The negotiating committee for Coleman school teachers, James Cousins and Steve Ondras, met the Coleman School Board on Friday evening for the purpose of discussing a new salary schedule. All Board members were present.

In a letter dated January 8, 1948, received by the Board the teachers stated that the increased cost of living, decreased value of the dollar and the upward trend in wages were the reasons why they desired to open salary negotiations.

The negotiating committee presented the following Single Salary Schedule:

	Basic	Min.	Basic	Max.
1(a) 1 year's training (Normal)	\$1500		\$2500	
2 years' training	1800		3000	
3 years' training	2100		3500	
4 year's training (B.A., B.Ed., B. Sc.)	2400		4000	
5 year's training	2700		4500	
(to M.A. or M.Ed. or M.Sc. degree)				

(b) Partial allowances, \$60 for each University course to degree.

2(a) Increments \$100 per year of experience to maximum.

(b) Previous Experience

(1) Full credit.

(2) Full credit for each year of war service.

(c) Administration and Supervision.

Principal (1) Elementary classrooms \$100 per room per year.

(2) Intermediate & High School \$125 per room per year.

Vice-principal—One half of above allowances.

3. Immediate \$300 over-all increase pending negotiation.

In order to give the ratepayers a comparison of the schedule asked and that in effect at the present time following is today's schedule:

	Min.	Max.	Incre- ments
1. Elementary	\$1500	\$2000	\$500
2. Intermediate	1700	2300	50
3. High School	1900	2600	50
4. Vice-Principal		2500	
5. Principal		3200	
6. Other Principal (Cameron)		plus \$200.00	

Allowance for previous experience — Full

Allowance for additional qualifications — \$15.00 per

University course, \$200.00 for B.A., \$100.00 for second degree.

Should Board fail to grant the schedule the teachers ask that they be given a \$300 boost across the board pending negotiations.

Board chairman George Evans

Lions Drama Festival Set For February 11

Despite the fact that no outside entries have been received this year the Coleman Lions 7th annual Drama Festival will be held as usual on Wednesday, Feb. 11. Entry dates set for the sub-regional festivals by the action of the Dominion Drama Festivals are undoubtedly responsible for the absence of outside entries. In the smaller centres it has been found difficult to carry on pre-Christmas dramatic activities and then prepare for the festivals in the short time allowed between the holiday season and the early sub-regional dates.

Coleman Lions' Club feels that this community activity is much too important to be dropped, even for one year, and every effort has been made to maintain the high quality of production established in past seasons. As a result the Playgoers' Club and the Coleman Players have entered two strong plays for competition, "The Valiant" and "The Monkey's Paw."

Intensive rehearsals for these interesting and highly dramatic productions have been carried on by experienced and capable casts and the festival audience is assured of an exciting and tense performance.

Red Cross Blood Clinic To Visit Coleman In April

Mobile Clinic To Visit Pass This Spring and Continue Through Into B.C.; Minimum of 100 Donors Required.

Two officials of the Canadian Red Cross working out of Calgary, were in town Wednesday evening of last week to arrange for a mobile Red Cross blood clinic to visit Coleman in the spring. The two officials, Mrs. McIntyre and Mr. Foss, were enroute back to Calgary following a trip as far west as Creston and Kimberley where arrangements had been made for the clinic.

Mrs. McIntyre stated that they desired donors in good health between the ages of 18 and 65 and that 100 or more would be required to make it worth while for the Clinic to come here.

It was proposed that a Saturday during the month of April would be chosen, the Blairmore donors to be accommodated in that time in the morning hours and the Clinic moved to Coleman for afternoon and evening appointments.

Miss A. Yuill will very likely be in charge of the local committee and more detail will be released at a later date.

Coleman Community Sports Association IMPORTANT NOTICE

All persons residing within Coleman School District No. 1216 who are not members of the Coleman Community Sports Association will no longer be permitted to skate in the Coleman Crystal Arena. This order does not apply to persons residing outside the School District.

EXECUTIVE.

MOVIE STUDIO MAKES IMMUNIZATION FILM—Residents in Renfrew, Ont., are included in cast in the health film, "To Save Our Children", being made by the National Film Board in the town. Dr. Fred Burke, playing the doctor in the movie, explains vaccine to Donna Van Alstine as her mother looks on. Pat Drysdale, (right), Renfrew, was chosen to portray a typical teen-ager in the film.

MARGARET TRUMAN, ART SUBJECT—Margaret Truman smiled back when she saw herself smiling from the portrait done by Greta Kempton, (left), New York. She wonders where to hang it.

WISHES TO BE U.S. "PRINCESS"—Princess Christian Hesse, the former Elizabeth Rogers of Washington, seen with husband, is seeking U.S. citizenship. She wishes to retain her title and asks permission to have her name changed to Elizabeth Princess Hesse.

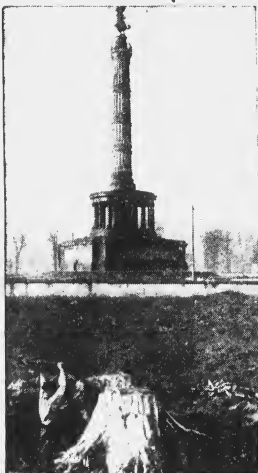

GREEK PRINCE IN U.S. FOR LECTURE TOUR—Cousin of Greek King, Prince Peter, and his wife, Princess Irene, arrive at New York for a U.S. lecture tour. In Greece, Queen Frederika visited Konitsa in place of King Paul, who is ill. Garrison and guerrillas have recently been battling for Konitsa.

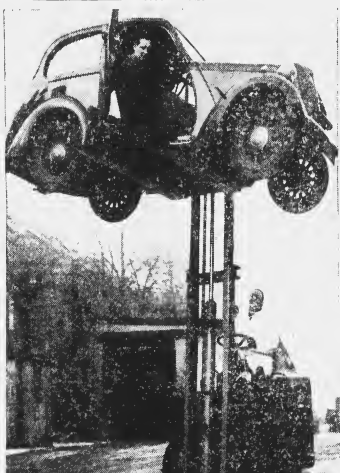

SIMPLIFIES THINGS—Marie (The Body) McDonald has reduced the reasons for Hollywood divorces to a simple idea. In Boston for a state appearance, Miss McDonald said: "If a woman has no servants, is married and has a family, why naturally she has plenty of work to do and a career would be out of the question. But if a woman has enough money, and servants, but has no career, then she has too much time for herself." So, concludes Marie, careers, and lack of them, cause Hollywood divorces.

HAPPY YOUNG IMMIGRANTS MAKE CANADA THEIR HOME—Buffeted by a stormy Atlantic crossing, Gertrude, nine, seen at left with her sister, Elfreda Shellenberger, seven, is happy to be in Canada. A short time ago they were in Hanover, Germany. Yorkshire lass, Mary Eunice Garner, five, (right), arrived with her mother and scores of happy British, European immigrants to begin life anew.

VICTORY AND DEFEAT—Old tree stump near the Russian victory monument in Berlin's destroyed Tiergarten, was a lucky find for this German, 52. It means fuel to keep his 10 children warm.

TRAVELLING GARAGE—Roadside repairs would be easy with this little truck with a built-in hoist, shown lifting car and driver nine feet into the air. It was shown at a London garage.

HAD HER MILLION-DOLLAR EYES OPENED—Janis Carter, who recently insured her eyes for \$1,000,000, came up with a sure cure for movie magazine ulcers. Treat yourself to a vacation in Rome, she told the pill-popping producers, and watch how they wander along, quickly turning out good movies. The Italians are calm about the whole thing. Hollywood works itself into a technicolor tizzy all the time. Roman results, she says, are artistic. Hollywood just says theirs are. "Everything is so calm and tranquil in the movie business over there," Janis says. "You just go along and shoot your scenes and nobody rushes you or yells at you or anything. I got such a wonderful rest, I gained nine pounds."

FIRE DESTROYS KITCHENER AUDITORIUM—\$135,000 fire destroyed the Kitchener auditorium, formerly the rink where hockey greats like Schmidt, Dumart, Easer, Hiller, Heller and Seibert got their start. Rink was converted into a dance hall in 1940. This is twisted wreckage.

ONTARIO OIL STRIKE MAY BRING FARMER \$21,000 A YEAR—Oil find on farm of Sam Lynn, (left), 77, may bring him \$21,000 a year. Arthur Lynn, seen with his wife and daughter, Linda Lee, who operates the farm at Staples, Ont., for his father, did not know of the oil strike until he visited town. Friends told him. The gusher came in during the night. Flow of 144 barrels a day is indicated.

Discovery of oil with this rig on the farm resulted from years of exploration in the district by the Imperial Oil Co., said to have 160,000 acres under lease.

FRANCO'S DAUGHTER VISITS HOSPITAL—Daughter of Spain's chief of state, Senorita Carmen Franco Polo is shown handing a toy to a sick child during her visit to the Hospital Del Nino Jesus, a charity centre located in Madrid.

NEW FORD TRUCKS ON DISPLAY AT SENTINEL MOTORS

Ford trucks have an established reputation throughout the world for their power, endurance and economy. SENTINEL MOTORS, Coleman announce that they now have on the display floor the new 1948 Ford trucks. There are new

features and advancements throughout these fine trucks. Over a million dollars in research and design went into the cab alone. It's bigger in every way. There's new service accessibility. Brake drums removable from the hubs

simplify maintenance. All axle shafts are replaceable from the wheel end and many other new service features which save time and money. Every vital part of the new 1948 Ford truck is built for extra strength, assuring wider use and longer life.

Kimberley Won Over Grands Saturday Night

Locals Failed to Play Hockey of Which They Are Capable; Only Exhibition Game.

Kimberley had the honor Saturday night of administering the first defeat Grands have suffered on local ice this season by edging out locals 3-2. It was only an exhibition game and that may be the reason why Grands failed to show the brand of hockey of which they are capable. Kimberley was fully deserving of their win.

The game was featured by heavy body-checking and ten penalties were handed out five to each team. Begun opened the scoring for the local at 5:05 in the first period on an unassisted effort. Kimberley, at the start of the second got it back in three minutes when Balzall and Carrodda broke away to sail in on Pow who had no chance. Thirty seconds later Clements tried a flip shot which found its way between Pow and the goal post and into the net. Five minutes later Roughhead tied it up when he poked Collings goal-mouth pass behind Kilburn. With a minute to go in the second frame Dazall, assisted with Carrodda and Sullivan, beat Pow with a screened shot.

There were no scoring in the last frame but the game grew hot and heavy as both teams used their weight on the slightest excuse.

Coleman: Pow, Joyce, Frew; Fraser, Kovack, Kryezka; Roughhead, Collings, Hudd, Mozell, Antonenko, Begun and Kwasnie. Kimberley: Kilburn; Zak, Cavanaugh; Sullivan; Dazall; Corrado, Bell, Clements, McLean, Young, Ness, Jenkins, Pratt.

Officials: Jenkins and Velprava.

Pee Wee Hockey Notes

On Sunday Lions tied Legionaires 1-1 to assume leadership of the league.

Summary

Lions: Kolibas (Jenkins). Legion: Taron. Elks defeated Patts 3-0 to tie for the runner-up position. As the league is to be completed on Sunday the final top positions will not be decided until then.

Summary

Elks: Cornett; 2, Kuchty (Fraser); 3, Fraser.

League Standing

Team	W	L	T	GF	GA	Pts
Lions	2	1	2	7	7	6
Elks	2	2	1	9	7	5
Patts	2	2	1	7	8	5
Legion	1	2	2	5	5	4

Scoring Statistics

Billy Fraser of the Elks now holds a two point lead for the Pee Wee scoring championship.

Player	G	A	Pts
B. Fraser (Elks)	2	3	5
W. Tiberghien (Patts)	2	1	3
W. Olisoff (Patts)	3	0	3
G. Jenkins (Lions)	1	2	3
K. Sayer (Lions)	2	0	2

Hockey Chatter

Coleman Outlaws journeyed to Pincher Creek on Saturday where they won 6-3 by the Pincher Creek entry of the Foot-hill's Intermediate league. A return match is being arranged for next Sunday afternoon at 3:30.

Coleman Juveniles played their best hockey of the season on Sunday when they trounced Blair more Outlaws 9-4 in a match played in the local arena.

Scoring Summary

Coleman: Sullivan (Sulus); 2, Cleave (A. Wells); 3, Miller; 4, Sullivan (S. Wells); 5, McCartney (Tucker-Miller); 6, S. Wells (Cleave); 7, Tucker (Miller); 8, McCartney (Lorenz); 9, S. Wells (Cleave).

Blairmore: Chala (Habdas); 2, Habdas (Kroli); 3, Kroli (Habdas); 4, Chala (Lucenti).

Coleman Pee Wee Hockey league is enjoying a very successful season. As the league enters its final swing all teams are closely bunched for the league leadership. Final league matches will be played next Sunday. Come and enjoy the fast brand of hockey played by these youngsters.

Start Work On Municipal Hospital February 1

Had Been Abandoned During Winter; Foreman, Carpenters and Bricklayers Coming in From Calgary.

It is official that a foreman, carpenters and bricklayers will be on the Municipal hospital site on Monday, Feb. 2, ready to start the final phase of the building.

Workers were withdrawn from the project by the contractor during the winter months and there has been only one or two men around the building looking after it and doing a few odd jobs.

Heavy equipment has been arriving in recent days and the boiler is being hooked up so that work can be maintained in the interior of the building.

EVERYBODY'S BUSINESS

Curiosity may have killed the cat, but it has led many men to do great things.

Because Dr. Lister wondered why so many patients died after operations, he discovered that germs cause infection, and developed modern antiseptic practices. For our modern lighting we can thank Edison's curiosity about electricity. Again, curiosity about what and how people buy, led Woolworth to develop a new kind of store which grew into a multi-million dollar chain.

You may make some profitable discoveries by asking yourself (and others) questions about everything from mousetraps to market trends. Knowledge is Power. The more you learn, provided you have the ability to use such knowledge, increases your value to your employer and may start you on a new and exciting career.

And don't forget to be curious about people, too. A study of their tastes, wants, behaviour and opinions can be equally rewarding.

Are you curious about what happens to life insurance dollars? Savings effected by Canadians through their life insurance premiums provide funds for investments in a wide variety of public enterprises, such as new schools, highways, power plants, harbours, homes and farms.

Minerva Chapter Instal Officers For 1948

Sister Edna Wilkie New W.M.;
Social Hour Enjoyed Following
Business Session.

Installation of officers for 1948 took place at Minerva Chapter No. 41, O.E.S., in the I.O.O.F. hall on Thursday evening last. Installing officer Sister Anne Murdoch, assisted by Installing Marshal Sister Caroline Pettifor, Sister Leta Davidson, organist and Sister Gladys Bannan, Chaplain, conducted the installation ceremony.

Following are the new officers:
W.M. Sis. Edna Wilkie
W.P. Bro. Joseph Hummerston
A.M. Sis. Mary Morris
Cond. Sis. Anne Murdoch
Assoc. Cond. Sis. Charlotte

Lonsbury
Chaplain Sis. Kate Johnston
Marshal Sis. Elsie Shields
Organist Sis. Leta M. Davidson
Adepts Sis. Kathleen Powryk
Ruth Sis. Hazel Cox
Esther Sis. Margaret Fleming
Martha Sis. Elizabeth Park
Electra Sis. Phyllis Jenkins
Warder Sis. E. Gladys Bannan
Sentinel Sis. Janet Cooke
Secretary Sis. Catherine Garner
Treasurer Sis. Elizabeth Cox

The installing officers were each presented with bouquets by the newly installed W.M. Sister Edna Wilkie. The W.M. then presented past W.M. Caroline Pettifor with her P.M. Jewel.

Visitors attending the installation included Mrs. Hunter, visiting from England the guest of Mrs. J. Glendenning who is a Past Matron, and Mrs. Sarge, Past Matron of the Pincher Creek Chapter.

Following the business session a social hour was enjoyed during which a dainty lunch was served.

Young People's Association To Form Library

Seek Donations of Fictional,
Biography or Reference Books;
Hope to Build It Into Per-
manent Community Institution.

The formation of a public library for the use of boys and girls of school age within the school district of Coleman is being undertaken by the Young People's Association of St. Paul's United church, Coleman as a community project.

It is felt that such a service is greatly needed in the community and in this connection they are appealing for your support. Like most organizations it will have to have a small beginning but as time goes on and interest becomes greater it is hoped that the services of this library will increase to meet the needs of the community.

Our present appeal to you is for BOOKS, hard covered books of all kinds, fictional, biography, or reference that you yourself have no further use for and could be read with interest by others. If you have any such books please call 224 Coleman and arrangements will be made to call for your donation.

As soon as can possibly be arranged the library will be set up in the United church hall under supervision and the hours that this service will be available will be announced later. Your support in this project will be greatly appreciated and the boys and girls of Coleman will benefit as a result.

W. A. Shields,
President St. Paul's Young
People's Association

Lions May Help Sponsor Library In Community

At a regular supper-meeting on Monday evening the Lions club discussed at length the organization of a library within the town. During the discussion it was revealed that the Young People's Association of St. Paul's United church had already taken the initiative in forming a library and that they sought donations of books on various subjects.

A committee of three was appointed to meet the Association's executive and determine the best manner in which the Lions could help their project with the objective of making the library available to all members of the community.

Tuxis Notes

The Coleman Tuxis Boys started off the new year with a full program and have a number of activities planned. Attendance at the meetings on Wednesday nights has been very good and the scoring championships have just about been decided for one section of our Floor Hockey games held each meeting night.

The group had their first "Ski" outing this month and the day was voted a very successful one. We left town about 10 o'clock and travelled as a group to "Andle's"

ski hill. It must be admitted that the jump proved a little too difficult for most of us but the runs were in good shape and real fast. The camp fire and the meal prepared was swell even the soup was not too hard to take. The boys all enjoyed them selves and intend to go again as soon as it can be arranged.

The cry "peanuts, chocolate bars and chewing gum", that can be heard at the hockey games these days is the voice of the Tuxis boys for they have taken on the job of selling these confections at the games. The boys wish to take this opportunity of thanking the Sports Association and the rink management for this opportunity to "Go into Business" and hope that they are providing the customers with a service.

We are going to attempt to keep you well informed of our activities from time to time through the Journal so you can expect to hear from us again.

BIRTHDAY PARTY

Master Terry Moore celebrated his third birthday in Grand style on Sunday, Jan. 18, when he invited fifteen of his small playmates to his home. Mom had prepared a nice lunch and a number of delicacies which the youngsters caused to disappear in a matter of minutes. Games were played and the young guest-of-honor was presented with a number of small gifts.

The Misses Roberta and Fideola Moore, of Stirlingshire, Scotland, arrived in Coleman two weeks ago and are guests of their

uncle and aunt, Mr. and Mrs. James Moore.

Pipe Major James Moore travelled to Great Falls last week where he took part at one of the Burns' Nights sponsored by the Scottish people in that city.

THEATRE NOTES

**DELIGHTFUL SCREEN
VERSION OF 'THE LATE
GEORGE APLEY' STARS
RONALD COLMAN, BELLEVUE
SATURDAY AND MONDAY**

Twentieth Century-Fox, whose film excursions into the field of best-sellers have netted many a memorable evening for moviegoers, has taken 'The Late George Apley', John P. Marquand's delightful Pulitzer Prize novel, and made it the sauciest entertainment

of the year. Fittingly enough, the film, playing Saturday and Monday at the Bellevue Theatre, has lured Ronald Colman back from his self-imposed sabbatical to play the title role. It also serves as a superbly effective springboard for the launching of pert young Peggy Cummings on a sensational movie career.

HOW TO PREVENT FIRES

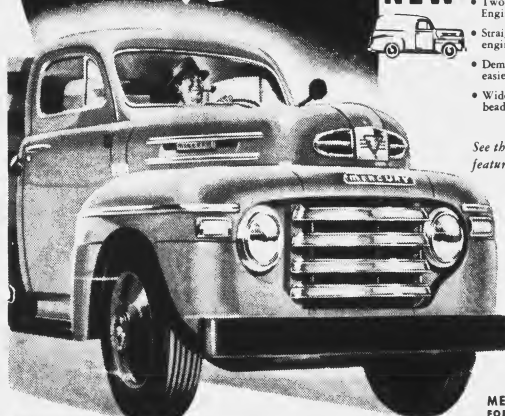

Most fire losses occurring, arise from causes easily preventable. You can reduce your probability of loss by attention to the following simple precautions

1. Provide metal containers for hot ashes and prohibit the use of wooden receptacles.
2. Keep cellars, closets and stairways free from loose wrapping paper or other highly combustible material.
3. Equip your property so that it is easy to turn off current when leaving electric irons and other heating appliances, even for a short time.
4. Use only good standard fuses and never permit the substitution of coins or wires for blown fuses.
5. Examine metal flues periodically and see that they are removed before they are badly weakened by internal rust or otherwise.
6. See that accumulations of soot are removed from your chimneys at least once in each year, preferably before lighting fires in the fall.
7. Make sure that gasoline and other inflammable fluids, are kept out of rooms where there are open fires or flames of any kind.
8. Keep open lights (candle, gas) and portable electric heaters away from curtains or other inflammable material which may come in contact with them.
9. Keep your supply of matches in a closed metal receptacle and out of reach of the children.

BREWING INDUSTRY OF ALBERTA

NOW ON DISPLAY!

The **NEW
MERCURY
TRUCKS**
for '48

NEW

- Deluxe appearance through clean, rugged lines.
- Headlamps and radiator grille recessed for better protection.
- Rustless, stamped steel, interchangeable grille bars for easy replacement.
- Heavy, channel-iron bumper bolted direct to frame gives added strength.
- Bright-finish moldings over entire sweep of front fenders.

NEW

- Passenger car comfort in the entirely new, bigger, roomier cab.
- Doors are three inches wider, moved forward for easier entry.
- More hiproom, headroom, legroom; Sedan-type seat with rubberized hair cushion pad.
- Both seat and back adjustable for greater driving comfort.
- Safety-vision, one-piece windshield is wider and deeper for greater visibility.
- Three-way ventilation supplies fresh air without draughts.

NEW

- Five great series. • Gross vehicle weights from 4700 to 15,500 lbs.
- Two famous V-type 8-cylinder Mercury Truck Engines.
- Straight through muffler design for improved engine performance.
- Demountable brake drums assure quicker, easier servicing.
- Wider, drop-center tire rims with 5° tapered bead seats.

See these and the many other new, advanced features at your Mercury and Lincoln Dealer's

Britain Plans Exhibition

AN EVENT WHICH WILL NO DOUBT be of interest to many people in Canada is the British Industries Fair and great national arts festival, to be held in Britain in 1951. That year will mark the centenary of the Great Exhibition of 1851, and Mr. Morrison, Lord President of the Council, recently announced to the United Kingdom House of Commons that consideration had been given by the government as to how the occasion could be most fittingly observed. It has now been decided, he said, that Britain's contribution to world civilization in the fields of culture, science, technology and industrial design should be illustrated in a large national arts festival, combined with two major industrial exhibitions.

Attracted Six Million People

The Great Exhibition of 1851 was held in London's Hyde Park, in a crystal palace especially built for the event. Suggested by Prince Albert, consort of Queen Victoria, it attracted more than six million visitors from all parts of the world and made a profit of some \$750,000. The centenary of this very successful undertaking will be held from May to October, 1951, and it is expected that it will likewise draw visitors from many other countries. The festival which is now being planned will not be confined to London alone, and it will present displays of painting, sculpture, books and photography. Architecture, town planning and notable United Kingdom films will also be included in this festival of arts.

Shows Britons Faith In Future

At the same time, the Council of Industrial Design has been asked to sponsor a display covering consumer goods, civil transport, and certain classes of capital goods. The historical development of some of the leading British industries are also to be presented as well as handicraft production, and outstanding British achievements in science and technology. The announcement of such an undertaking at this time is an indication of Britain's pride in the progress made there in the last hundred years in industry, science and the arts. It is also an indication of the faith of the British people in the future and of their unwillingness to let the present critical economic situation prevent them from planning events of this nature. It is to be hoped that the Great Exhibition and national arts festival of 1951 will be even more propitious and successful than was the first one held nearly a century ago.

Has Unusual Job For Women

TORONTO.—One of the few women climatologists in North America, Mrs. Marie Sanderson plans to resume next spring experiments she hopes will prove that climatic conditions, rather than vegetation, govern the rate of evaporation of moisture from the earth.

As part of a study of climatology she is making for the Ontario research foundation, all last summer, she experimented with plots in a vacant lot near Mount Pleasant in north Toronto.

In the plots grew timothy and crested wheat grass. Water was carried to them by pipes laid underground. In all cases the rate of evaporation was found the same.

As part of the Ontario government project, Mrs. Sanderson is concentrating on a study of the moisture factor in the climate of Ontario and also works on an article intended to give a Canadian-wide picture of moisture deficiency and surplus.

Trips To Canada To Be Prizes

COCKERMOUTH, Cumberland, Eng.—Trips for two persons to Canada, including ship and railway fares, will be the principal prizes in an empire plowing contest to be held here by the Worthington and District Agricultural Society. The prize winners will compete in international plowing matches in Toronto next October.

RECIPES

BANANA CAKE

(1 egg and 1 egg yolk)
2 cups sifted cake flour
1 teaspoon baking powder
1 teaspoon soda
1/2 teaspoon salt
1/2 cup butter or other shortening
1/2 cups sugar
1 egg and 1 egg yolk, well beaten
1 cup mashed bananas
3/4 cup sour milk or buttermilk
1/2 teaspoon vanilla
Sift flour once, measure, add baking powder, soda, and salt, and sift together three times. Cream butter, add sugar gradually, and cream together until light and fluffy. Add eggs and beat well; then add bananas and beat again. Add flour to creamed mixture alternately with milk, in small amount at a time, beating after each addition until smooth. Add vanilla. Bake in two greased 9-inch layer pans in moderate oven (325 deg. F.) 25 minutes, or until done. Spread Seven Minute Frosting between layers. Make 2 cups of cake. Sprinkle with chopped nuts.

SWEET CHOCOLATE DRINK

1/2 package (9 squares) sweet chocolate
2 cups milk
Add chocolate to milk and heat in double boiler. When chocolate is melted, beat with rotary egg beater until light and frothy. Serve immediately. Makes 2 cups.
Note: One cup milk and 1 cup water may be substituted for 2 cups milk in above recipe.

GEMS OF THOUGHT

BREVITY

Genuine good taste consists in saying much in few words, in choosing among our thoughts, in having order and arrangement in what we say, and in speaking with composure.—Fenelon.

Have something to say; say it, and stop when you've done.—Tryon Edwards.

When one has no design but to speak plain truth, he may say a great deal in a very narrow compass.—Sir Richard Steele.

Our Master taught his disciples one brief prayer, which we name after him the Lord's Prayer.—Mary Baker Eddy.

If you would be pungent, be brief; for it is with words as with sunbeams—the more they are condensed, the deeper they burn.—Robert Southey.

Brevity is the best recommendation of speech, whether in a senator or an orator.—Cicero.

A REAL PERSON

Mother Goose was a real person. She lived in Boston, and was the wife of Isaac Goose. Her famous songs were sung to her grandchildren, and a son-in-law had them published in 1716.

Prairieites Defend Winter Weather

In Answer To Detroit Report Of Americans Regard Prairies As An "Icebox"

WINNIPEG.—Western Canadians rose in defence of winter weather on the prairies, maintaining cold spells aren't anything to get excited about if one wears the proper clothing and insisting the climate out this way has the advantage of being healthy. Actually, as is known by any true western Canadian from the age of three up, the cold waves which move across the prairies and into the U.S. and eastern Canada usually originate in the far north. Since that district is about 2,000 miles northwest of Winnipeg, it's hardly fair to blame all the cold on the prairies.

Tourist travel officials in Manitoba, Saskatchewan and Alberta all jumped to the defense of the west on the weather question following a report from Detroit which indicated some Americans regard the prairie region as an "icebox."

Mayor Garnet Coulter of Winnipeg was quick to come to the defence of his city and the province. "I've been in the northern States and I'll take our climate anytime," said the mayor. "National health statistics show this particular region is healthier than any other part of the Dominion."

An official of the Saskatchewan Tourist Bureau in Regina had this to say on behalf of prairie weather: "You can see more hardheaded men and nylon-stocked gals in Regina in the middle of winter than you can in Detroit."

Then there was this from Dan Campbell of Edmonton, director of Alberta's travel bureau: "Owing to excellent weather prevailing along the east-rail slopes of the Canadian Rockies, horses usually stay out in pasture all year. We frequently play golf on New Year's day, and before we got artificial ice installed we rarely had it cold enough for hockey before Christmas."

FUNNY And OTHERWISE

"Did anyone in your family ever make a brilliant marriage?"

"Only my wife."

"That night under the stars he swore eternal love."

"But how, as I be sure that you are sincere?" she said. "I expect you deceive all the girls."

"Oh, that's an awful thing," he exclaimed. "You're the first really."

A handsome young weasel named Herman said, "There's something I can't determine."

"When a girl wears my cat. She's a boy of note. But when I wear my ermine, I'm vermin."

"Why is it that so many women will persist in making themselves five years younger than they really are?" asks a playwright.

"Perhaps it's because they didn't learn to count until they were five."

He had been waiting a long time for his lunch. "Waitress," he said, "must I sit here until I starve?"

"Oh, no," replied the waitress. "We close at 6 o'clock."

Physically, a lot of Canadians are suffering from a weak back; financially, they are suffering from a weak back.

One rainy afternoon Aunt Sue was explaining the meaning of various words to her young nephew.

"Now, an heirloom, my dear, means something that has been handed down from father to son," she said.

"Well," replied the boy thoughtfully, "that's a queer name for my pants."

Two workmen sat down to eat their lunch, and one began unwrapping a parcel about 18 to 20 inches long.

"What's that?" asked his friend.

"Well, my wife is away, so I made a pie for myself."

"A bit long, isn't it?"

"Of course it's long. It's rhubarb."

ATTENDS U.N. CONFAB — Accompanied by 12 officials, J. Noel Baker, British secretary of state for commonwealth relations, is in New York for the U.N. security council conference on the India-Pakistan argument over Kashmir.

Plan Driving School Course For Children

EDMONTON.—School courses throughout Canada have progressed a great deal since the days when only reading, writing and arithmetic were hammered into young junior's heads. Nowadays teen-agers who have a flair for music, drama, art can pick up credits by studying these subjects. However, Edmonton school officials would like to inaugurate still another course to acknowledge the present age of mechanization—automobile driving.

J. C. Macdonald, chairman of the school board, recently returned from the United States where he attended such courses being taught in the schools. Together with R. S. Sheppard, school superintendent, he believes that if similar courses here would save only life, they would be worthwhile.

The plan, now being discussed by the Alberta government curriculum committee, would involve only high school students as boys must be 16 years of age and girls 18 before they can obtain a drivers license in Alberta. It would be a voluntary course and the question of whether credits would be given for it is still unsolved.

Seats would be set up in classrooms equipped with steering wheels, gears, clutch and accelerator. They would be attached to a panel, wired with lights. A projection screen at the front of the room would stimulate actual driving conditions. Teachers watching the light would know how students were progressing. Later, they would be given lessons in dual-control automobiles and after passing examinations, would be presented with a certificate.

Mr. Macdonald says that such courses in the States have cut the accident rate by 52 per cent, and he also believes they would cut down on property damage. If the plan is approved, it is hoped to have the first course presented in schools in 1948.

VOLCANIC GASES

It is estimated that the weight of gases given off in a volcanic eruption is much greater than that of lava and ashes.

May Build Game Sanctuary Near Canora

Game Birds Have Increased At First Sanctuary Established Two Years Ago

CANORA, Sask.—A committee was appointed at the annual meeting of the Canora Fish and Game league recently, to investigate the possibilities of having a second sanctuary established in the district. The proposed spot will be Fulton Flats, about seven miles north of Canora, on No. 9 Highway. This will be the second game sanctuary in the area, the other being at Patterson Lake, west of Canora and north of Good Spirit Lake.

Birds Increase

N. Perry, secretary treasurer, stated that since the establishment of Patterson Lake sanctuary two years ago the number of game birds in the fall had increased tremendously. Mr. Perry reported the pheasants that were released near the Whitesand river, east of Canora, were leaving the district and some were reported near Goritz. The pheasants were first released in the spring of 1946 and then in 1947. The first group died but the second

Place Orders Now For Package Bees

Beekeepers in Canada who have not as yet placed their orders for package bees with dealers in the United States should do so at once to avoid delay or non-delivery, says C. B. Gooderham, Dominion Apiarist, Central Experimental Farm, Ottawa. The demand this year for package bees is so great that producers in the Southern States are already fairly well booked to the limit for early spring delivery.

Mr. Gooderham says that the recent restrictions against certain imports from the United States do not apply to package bees.

TOOK NO CHANCES

Empress Carolla, of Mexico, fearing death after her return to Belgium, would eat nothing but eggs laid in her presence. She kept a flock of hens in her hotel suite.

lot migrated to areas such as Goritz where such birds had never been released before.

He reported on another game bird which was nearly extinct in this district about two years ago—the prairie chicken. He stated that the bird was gradually coming back to this area and said that he thought that a closed season should be maintained on them.

It was reported that 500,000 pickered fry was placed in Crystal lake, 17 miles north of Canora.

"It's Not Loaded"**Handling "Empty Gun" Proves To Be Dangerous Practice**

Famous last words:

"It's not loaded."
Time and again it has been proved that handling an "empty gun" is a dangerous practice. Death has stalked in many an instance where the trigger was pressed unwittingly, discharging a lethal bullet without warning.

As witness the tragic accidents—usually termed accidents—which occur so frequently. Almost every day one hears of such a mishap. Sometimes a gun goes off while being cleaned... or when displayed to friends... or in the hands of young children.

"There is no such thing as a harmless gun, unless you have made sure, doubtlessly—yes, even triple-checked—that it is empty," contends an R.C.M.P. fire-arms expert.

Appalling Toll of Life

A recent survey shows that an appalling toll of life is taken every year by weapons "thought to be unloaded." And, besides, there are the hundreds who have been wounded, blinded or maimed for life.

The rate of shooting accidents has soared to peak levels in the past three years. This can be attributed mainly to the great numbers of service weapons brought home by veterans following the cessation of hostilities.

It may be a Luger, a Japanese carbine, an automatic pistol. Acquired overseas and smuggled past customs, they are now regarded as a sort of badge of honor—a mark of courage. Likewise, is the shotgun, symbol of a hunter's prowess.

A man may have handled guns all

his life. A soldier may have come through the war without a scratch. Yet, it does not take much pressure on the trigger to invite the undertaker.

You read of how a man accidentally shot his fiancée in Montreal... or in New York where a boy, playing "cops and robbers," killed a playmate with an "unloaded gun"... the wounding of a man in Lowertown, Ottawa while he was cleaning his rifle... a souvenir pistol discharging in the hands of an ex-G.I. in Texas (he had carefully removed all cartridges, but forgot the one in the firing chamber).

Bob Hope's Near-Trap
Even radio and screen comedian Bob Hope had a near-tragic experience while he was showing off his extensive collection of firearms to friends at his California home.

The man with the "sid-side" proscriptions would have sworn on a stack of Bibles that the gun was unloaded. But, when the smoke cleared, there was a bullet hole in the door—and on the other side were Hope's wife and four children.

Fortunately, no one was hurt. Mrs. Hope later tacked up a neat sign beside the bullet hole with the legend: "It wasn't loaded—HE SAID." As a result, friends frequently kid him, but the master of rapid-fire repartee for once fails to see any humor in the situation.

You Can Be Wrong
"Don't point a gun, however positive you are that it won't go off. You can be wrong, and it's liable to be a fatal mistake," is a warning that should not go unheeded.

Firearms should especially be kept out of the reach of young children. These "playthings" have already claimed too many innocent victims.

And make certain it's absolutely safe when handling such weapons yourself. There's a grave marker in England with an epitaph that can be applied to many a case. It reads:

"'Twas an empty gun—
Or so he said—
That sent a bullet
Thru his head."
—By C. S. Cowan in Ottawa Citizen.

PRINCE RUPERT MAYOR LOWERS HER OWN SALARY

PRINCE RUPERT, B.C. — Mrs. Norah E. Arnold, mayor of the city, is a practical woman. She wants to fight rising civic administration costs. She declined to accept \$2,000 as her annual indemnity when it was offered her by the new city council. Mayor Arnold declared \$1,200 will be enough because we are going to be up against some heavy expenses this year.

MAYOR CAN'T SAVE ON \$3,000,000 MONTHLY
SHANGHAI — Mayor K. C. Wu's salary will be raised shortly to \$8,000,000 a month—but the mayor doesn't expect to bank any of it.

The catch is that he's paid in Chinese currency. At current black market rates, the \$8,000,000 is a little over \$30 in U.S. funds.

ESTABLISH SCHOLARSHIP
WINNIPEG — On the recommendation of the Manitoba minister of education, a Manitoba will be selected each year to attend the Colorado School of Mines on a scholarship which pays tuition. To begin next year, the scholarship will be extended for four years if the student's record is high enough.

THAT WAS A BLIZZARD
VANCEBORO, Mo. — Eight feet of snow fell in a single storm here in February, 1888. It established a snowfall record for the nation which still stands. The 96 inches of snow fell during a blizzard that lasted three days.

PRAIRIE RAINFALL
Rainfall on the prairies during August, September and October, according to records of the Scarle Grain Co., Winnipeg, was 41 per cent. above normal, thus ensuring a better-than-average start for the 1948 crop.

ONE BASENJI... TWO WIVES (BUT THAT WAS IN AFRICA)—Jowls of Eric and Adam. They are Basenjis, a breed of hunting dog known in Africa for 6,000 years. Eric and Adam have been imported into Canada by a dog fancier at Oak Ridge, Ont., where they will be trained as hunters. They cannot bark, only growl. In Africa their worth was not in terms of money, but in wives and spears. One Basenji could often be traded for two wives.

Farm Women Help Design Farm Homes

Farm women are to be given an opportunity to say how a farm house should be planned and what kind of equipment should be installed to add comfort and ease of living.

The Central Mortgage and Housing Corporation, a Dominion Government Company, has invited all provincial governments to co-operate in a Better Farm House Competition and prizes up to \$400 will be awarded in each province. The competition will be in the form of answers and comments to a list of questions which will be provided, and the replies will be used by the Corporation in developing new farm house plans. The competition is open to any local group of farm women already operating as a unit.

The questions, which are designed to find out what the housewife wants for a practical and comfortable farm home, must be discussed at local group meetings, and the answers and comments are to represent the considered opinion of the group as a whole.

Full information will be made available to groups of farm women, from the department designated to supervise the competition by each provincial government joining with the Corporation in sponsoring the contest.

RESOURCEFUL FIREMEN
SASKATOON — Saskatoon firemen saved the city an estimated \$5,000 by converting the chassis of a new truck into a 500-gallon-per-minute pumper, booster and hose wagon.

Fashions

By ANNE ADAMS
Button-Happy

She'll love this frock with hip pockets like big sisters. A simple dress in perfect taste. Pattern 4507 is a wonderful background for trick buttons. She can sew this herself! This pattern, easy to use, simple to sew, is tested for fit. Includes complete illustrated instructions.

Pattern 4507 comes in girls' sizes 6, 8, 10, 12, 14. Size 10 takes 2 1/2 yards 39-inch fabric.

Send twenty-five cents (25c) in coins (stamps cannot be accepted) for this pattern. Write plainly size, Name, Address and Style Number and send orders to the Anne Adams Pattern Dept., Winnipeg Newspaper Union, 175 McDermott Ave. E., Winnipeg, Man.

In 1858 the cable rate between Great Britain and North America was \$5 a word. 2761

ARE YOU DISCOURAGED because you suffer distress from 'periodic' FEMALE COMPLAINTS

which makes you NERVOUS HIGH-STRUNG on such days?
Are you troubled by distress of female functional monthly disturbances which make you suffer, feel so nervous, cranky, restless, weak—at such times? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. In a recent test it proved helpful to women troubled this way. Why don't you get smart and try it yourself? Pinkham's Compound is what is known as a uterine sedative. It has a soothing effect on one of woman's most important organs.

For over 70 years thousands of girls and women have reported benefit. If you, too, don't report excellent results. Worth trying!
NOTE: Do not prefer LYDIA E. PINKHAM'S TABLETS with added iron.

Lydia E. Pinkham's VEGETABLE COMPOUND

LOCAL NEWS

 Mr. and Mrs. P. McLeod were
 Lethbridge visitors last week.

 Mr. Bruno Gentile returned
 home at the week-end following a
 visit to Stettler.

 Born--To Mr. and Mrs. Douglas
 Jenkins at Calgary on Friday,
 January 23, a son.

 Mr. Jim Wilson of East Coulee,
 is the guest of his parents, Mr.
 and Mrs. M. Wilson.

 Mr. Zezula and son Walter, of
 Fernie, spent the weekend in Cole-
 man visiting friends.

 Mrs. Pauline Zimka, of Fernie,
 spent the weekend with her par-
 ents, Mr. and Mrs. M. Kracky.

 Coleman Motors has on display
 this week a Mercury "Pick-up"
 suitable as a light delivery truck.

 Mrs. Craig Furlong, of Leth-
 bridge, was in town the early part
 of the week and was the guest
 of friends.

 Mrs. Florence Smith left last
 week to spend several weeks va-
 cation with relatives at Regina
 and Winnipeg.

 Miss Mary Panek, of the
 Fernie hospital staff, spent the
 weekend with her parents, Mr. and
 Mrs. S. Panek.

 Mr. Douglas Jenkins is spend-
 ing a few days in Calgary visiting
 his wife and gazing proudly at his
 brand new son.

 Mrs. O. Sarge spent Monday in
 Coleman visiting her daughter
 and son-in-law, Mr. and Mrs. R.
 Adloff, and grandson.

 A number of Coleman people
 attended the dance at Lundbreck
 on Thursday. The Anderson Sis-
 ters orchestra supplied the music.

 Mr. and Mrs. Russell Mier, ac-
 companied by Earl Dodds, motor-
 ed to Calgary on Monday morn-
 ing, returning home on Wednes-
 day.

 The Journal acknowledges with
 thanks renewal subscriptions re-
 ceived from Mr. George Pattinson,
 of Victoria, and Mr. Wm. Cole sr.
 of Victoria.

 Mrs. Steve Krzywy was admit-
 ted to hospital on Wednesday of
 last week and underwent an op-
 eration on Monday. She is now
 progressing favorably.

Miscellaneous Shower

 A very lovely shower was
 held in the Oddfellows Hall on
 Wednesday, January 21, in
 honor of Mrs. Karel Perina
 (nee Christine Bubniak).

 Upon entering the guest of
 honor was presented with a
 lovely corsage by the hostes-
 ses. Whist and Bingo were
 played, whist prizes going to
 Mrs. S. Hatalcik, Mrs. Steve
 Wavrean and consolation to
 Mrs. J. Storm. The door prize
 was won by Mrs. Thomas
 Sudworth. After a lovely
 luncheon served by the hos-
 tesses the honored guest was
 presented with many lovely
 and useful gifts. A mock wed-
 ding was played by Mrs. H.
 Welton, Mrs. Van Blairicom
 and Mrs. J. Lepacek. This
 brought much amusement and
 pleasure to the guests. The
 guest of honor ably thanked
 her many friends and the
 party broke up near midnight.

CARD OF THANKS

 I wish to thank all those
 who attended my shower, also
 to the many that sent such
 lovely gifts. I especially want
 to thank the hostesses who
 made my shower such a suc-
 cess. Thank you all very sin-
 cerely.

 Mrs. Karel Perina
 (nee Christine Bubniak).

Fours Reached In Bonspiel Sunday

 Many Undefeated Rinks of
 First Day Soundly Trounced
 As Competitions Proceeded to
 Fours.

 Dancy and Riva were the only
 two rinks to survive a grueling
 day's play on Sunday as the two
 main competitions narrowed down
 to the fours. The other six rinks
 which had remained undefeated
 went down to defeat, some of
 them in two straight games to
 shove them into the consolation
 event, the Studebaker.

 Following are Sunday's results:
 Pontiac
 Riva beat Richards.
 Morgan beat Young.
 McEachern beat Malanchuk.
 Brown beat Meier.
 Duncan beat Carmichael.
 Boulton beat Park.
 Anderson beat Sterba.

 Roughhead beat Amatto.
 Evans beat Emmerson.
 Dancy beat Old.
 Riva beat Montalbetti.
 Beal beat Brown.
 Morgan beat Boulton.
 McEachern beat Duncan.
 Roughhead beat Evans.
 Dancy beat Anderson.

 Cole:
 Dancy beat Montalbetti.
 Gosse beat Evans.
 Kerr beat Sterba.
 Jenkins beat Beal.
 Dugdale beat Fumagelli.
 Riva beat Malanchuk.
 Dow beat Duncan.
 Ford beat Morgan.
 Zak beat Lawson.

 Damsbo beat Parker.
 Kerr beat Richards.
 Gosse beat Damsbo.
 Jenkins beat Brown.
 Dancy beat Dugdale.
 Ford beat Zak.
 Kerr beat Gosse.

 Studebaker:
 Ledieu beat Lawson.
 Telfer beat Oliver.
 Hoggan beat Alexander.
 Rymackers beat Marland.
 Carmichael beat Rymann.
 Meier beat Claes.

 Boulton beat Emmerson.
 Rymackers beat Sterba.
 It is anticipated that the finals
 of the Pontiac and Cole competi-
 tions will be played on Sunday
 next.

 MERCURY SANK
 TO 15 BELOW
 MONDAY MORNING

Monday saw the mercury sink

 to its lowest point of the winter
 when 15 degrees below zero was
 recorded at the International
 tipple.

 Sunday was clear and cold and as
 evening drew in the coldness
 gained in intensity. Possibly the
 only citizens who enjoyed the
 zero weather were the curlers
 who are mid-way through the
 Pontiac-Cole-Studebaker bonspiel
 which is being played on all Pass
 rinks.

 Monday morning a few trucks
 and cars were seen being pulled
 by garage wreckers in an effort
 to get them started.

 ST. PAUL'S UNITED CHURCH
 Rev. R. Magowan, D.D., Pastor.
 11 a.m. "Invest the Best".
 12:15 noon--Sunday school.

 7:30 p.m. There will be the
 showing of the religious film,
 "Faith, Triumphant", a story of
 glorious triumph.

 ST. ALBAN'S CHURCH
 SUNDAY, February 1st, Evensong
 and Sermon, at 7 p.m. The Ven. R.
 Axon, B.D., will conduct the service.

 TRUCKERS!
 Coleman Motors will have
 on display to-morrow morn-
 ing the new 1948 Mercury
 trucks. You are invited to in-
 spect these machines. advt

CARD OF THANKS
 Having now returned to my em-
 ployment at the Grand Union
 hotel I wish to express thanks and
 appreciation to all my friends
 who sent cards, gifts and gave
 words of encouragement during
 my lengthy illness.

Albert Fry.

CARD OF THANKS
 I express thanks and ap-
 preciation to the members of
 my committee, who as volun-
 teer workers, did such a splen-
 did job in helping me admin-
 ister most successfully the
 big assignment of promoting
 the Ice Frolic on behalf of the
 Coleman Community Sports'
 Association.

 O. BOMBEN,
 Committee Chairman.

FOR SALE--R.C.A. Victor Re-
 cord player, used only short time,
 \$15. Hawaiian guitar, books and
 accessories. Apply Journal office.

THIS IS AN EMERGENCY

...let's treat it as such!

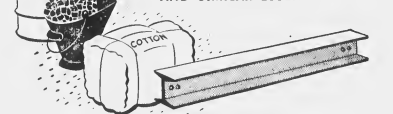

CANADA is heavily "in the red" in present
 trading with the U.S. dollar area. In our total trade with the world we are in
 a good position but not in that part which is done with U.S. dollar countries.
 Other countries with whom we do business cannot pay us in full, either in
 cash or in goods, for the things they buy from us.

This situation is made more serious than ever before because so many
 countries, our regular customers, have not recovered from the war. It may
 be some time yet before they get on their feet sufficiently to help put
 things right. Meantime, we must find ways and means of balancing our
 own books and reducing our U.S. dollar deficit.

There are two things we can do at the moment...cut down unnecessary
 purchases from the U.S. dollar area and increase our production of goods
 that can be sold to those countries to balance accounts. It's an emergency
 and should be treated as such.

TO KEEP OUR INDUSTRIES HUMMING...OUR LIVING STANDARD

HIGH, WE NEED PETROLEUM,
 COAL, COTTON, STEEL
 AND SIMILAR ESSENTIAL THINGS

WE CAN PAY FOR THESE THINGS IF WE CURTAIL
 OUR SPENDING ON IMPORTED NON-ESSENTIALS
 OR TRIMMINGS . . . AT LEAST FOR AWHILE

YOU AS A CANADIAN CAN HELP--

1. Do not order goods by mail from other countries...do not buy goods to bring home when you travel outside Canada. See also Item 2.
2. If you feel some purchase is absolutely essential, see your Collector of Customs and Excise beforehand, to learn whether the item is prohibited.
3. Look for alternatives or substitutes for the items which are temporarily prohibited.
4. If certain goods seem to be in short supply, do not overlook the possibility that it is seasonal, or merely a local condition, or perhaps brought about by entirely unnecessary buying.
5. Be sure to obtain the Tariff Item Number from your Collector of Customs and Excise before pursuing any inquiry. Quote this number in all correspondence.
6. IF WE TACKLE THIS PROBLEM IN THE SAME SPIRIT OF CO-OPERATION DEMONSTRATED DURING THE WAR YEARS IT CAN BE SOLVED WITH LONG-TERM BENEFIT TO EVERY CANADIAN.
